IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.27905 of 2008
GORAKH NATH TIWARY
Versus
STATE OF BIHAR
---

2. 31.7.2008 Heard.

Petitioner was granted bail twice by this Court on some specific condition that petitioner shall remain present physically on each and every date. Petitioner flaunted the condition once and this Court was magnanimous enough in directing the petitioner to file a Miscellaneous petition no.51466 of 2007 and same condition was imposed that on flaunting the same, the bail bond of the petitioner shall be cancelled. It is not the seriousness of the matter that petitioner flaunted the condition yet again but what appears most serious is that on the date on which the prosecution had produced a witness, petitioner simply absented from the proceeding.

The reason pleaded by the petitioner is running the train with some late and the petitioner could not make it to the court in time. In support of his plea, petitioner has annexed a ticket of the Railways as Annexure-2. The other ground which, though not pleaded, but as appears from in Annexure-3 is that petitioner was suffering from jaundice and he was advised complete bed rest. The two defences do not go hand-in-hand. Petitioner appears a person who does not have any respect for the orders of the court.

The petition is dismissed.
